Today's routines demand better nighttime support

Modern life makes it hard to switch off

People are looking for gentle, effective ways to unwind and recharge

Busy routines often leave people out of balance

They want simple solutions that fit naturally into an evening ritual

Traditional options don't always deliver

Consumers seek supportive, wellness-minded alternatives

Evenings should restore, not drain

Today's lifestyles call for rituals that help the body slow down and reset

CELLERGIZE™ EVENING

Power down, rest easy.

Unwind, relax, and restore. **Cellergize Evening** is your signal to slow down, recalibrate, and prepare for deep, rejuvenating rest. A scientific blend of relaxing micronutrients allows you to release the stress of the day in preparation for your best rest yet. Carefully formulated with taurine, magnesium, and L-theanine to elevate your nighttime routine and nurture your overall well-being. Power off blissfully with the complementary benefits of LifeWave's incredible patch technology.*

- Formulated with thoughtfully selected ingredients to complement your nighttime routine*
- Crafted with ingredients to support relaxation*
- Supports your journey towards a balanced lifestyle*
- Complements LifeWave's line of non-transdermal patches*

No artificial sweeteners,
flavors or colorings

Feeling Tired but Struggling to Unwind?

Even if you've cleared your schedule, your mind and body might not be ready for rest.

Cellergize Evening is designed to help you prepare for deep, restorative sleep with a precise blend of relaxing micronutrients.

It supports:

- Relaxation in preparation for sleep*
- Overall health and wellness*
- Cardiovascular and immune function*
- A balanced lifestyle*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Who It's For?

- People seeking a smoother transition into evening rest
- Those balancing busy days with the need for deep recovery
- Wellness-minded individuals who want clean, gluten-free support
- Anyone using LifeWave patches who wants to enhance their evening routine

Elevate Your Benefits

We believe in the power of the right combinations. Our supplements are thoughtfully formulated to work in harmony with LifeWave patches, offering a holistic approach to health and vitality.

By combining the targeted benefits of our Cellergize™ Evening with the cutting-edge technology of our patches, we aim to optimize the well-being of our customers on multiple levels.

CELLERGIZE™ EVENING IS DESIGNED TO ELEVATE THE BENEFITS OF OUR NIGHTTIME RANGE OF NON-TRANSDERMAL PATCHES.*

Building on Your Wellness Foundation

Start with X39®

Our patented phototherapy patch supports the body's natural energy flow – helping you power through the day with vitality and focus.

Fuel Your Day with Cellergize™ Morning

A carefully selected blend of nutrients designed to support healthy stem cell activity and overall wellness.*

Wind Down with Cellergize™ Evening

Formulated with L-theanine, taurine, nattokinase, magnesium, and prebiotic fiber to help you release the day's stress, support relaxation, and prepare your body for deep, restorative rest.*
